

Semi-Recessed PPE Dispensing Solutions

Designs that satisfy safety & infection control regulations

- Negligible wall protrusion allows for easy standardization and ADA compliance
- Visible access to supplies improves PPE donning compliance and restocking
- Improves HCAHPS scores with a sleek, organized, and aesthetically pleasing design
- In-wall design helps avoid costly Life Safety Code violations LS.02.01.20
- Dual application system for everyday PPE supply dispensing and conversion into an Isolation Station when required
